## mirror CABINETS

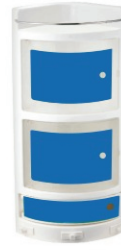

Designed to keep your bathroom essentials organized. Bathroom cabinet with mirror is made of high-quality plastic. It is an elegant addition to your bathroom and is not just functional, but also trendy. It has multiple compartments to store all your essentials in a mess-free manner and holder on the door to store smaller items, like toothbrushes and other necessities like razors. The six compartments of different sizes, allow you to conveniently store all your items in one place, and increase storage space.
